

Curriculum Vitae
CHIARA MAZZI

PERSONAL DETAILS

Place and date of birth: Verona, 11th March, 1984
 Address: via Carmine Tripodi 11, 46043 Castiglione delle Stiviere (MN)
 Nationality: Italian
 Tel: ++39 045 8027258
 Fax: ++39 045 8027279
 E-mail: chiara.mazzi@univr.it

CURRENT POSITION

Since May 2012 Post-Doc research fellow, University of Verona.
 Department of Neurological, Neuropsychological, Morphological & Movement Sciences. Section of Physiology and Psychology
 Tutor: Prof.ssa Silvia Savazzi

EDUCATION AND TRAINING

January 2009 - December 2011 Ph.D. in Psychological and Psychiatric Sciences. University of Verona
 Department of Neurological, Neuropsychological, Morphological & Movement Sciences. Section of Physiology and Psychology
 “The causal role of the intraparietal sulcus in visual conscious experience. A functionally-guided TMS investigation”.
 Tutor: Prof.ssa Silvia Savazzi

September – November 2011 Visiting scholar, University of Illinois, Urbana-Champaign, USA
 Research project using TMS and Optical Imaging (EROS)

May 2011 Magstim TMS summer school 2011 – Oxford, UK

February 2011 Professional practice examination in psychology
 Faculty of Psychology, University of Padua, Italy

November 2010 Neuronavigation Workshop
 IRCCS Centro San Giovanni di Dio Fatebenefratelli, Brescia

February 2010 Visiting scholar, Sussex University, Brighton, UK
 Research project using TMS

March-August 2009 Clinical internship “Ospedale riabilitativo Chiarenzi”, Zevio, VR.
 Tutor: Dott.ssa Francesca Mancini

December 2008 Master degree in “Experimental psychology and cognitive and behavioural neuroscience”, Faculty of Psychology, University of Padua, Italy
 Final mark: 110/110 cum laude
 Thesis: “Mass, count and dual nouns: an ERP investigation”
 Supervisors: Prof. Sara Mondini and Prof. Brendan Weekes

September-December 2007 Erasmus Exchange project - Human Psychophysiology Laboratory, Sussex University, Brighton (UK)
 Research project using ERP (EGI system)

July 2006 Bachelor degree in “Social and work psychology”, Faculty of Psychology, University of Padua, Italy
 Final mark: 110/110 cum laude

Thesis: "A psycholinguistic investigation about the mass/count distinction"
 Supervisor: Prof. Sara Mondini

 Faculty of Psychology, Padua, Italy

July 2003 High school diploma Liceo Linguistico Virgilio, Mantua, Italy
 Final mark:100/100

POSTER PRESENTATION AT INTERNATIONAL CONFERENCES

2nd-5th April 2011 **Mazzi C.**, Mancini F. and Savazzi S.
 "The causal role of intraparietal sulcus in visual conscious experience:
 A functionally-guided TMS investigation."
 Cognitive Neuroscience Society 18th Annual Meeting
 San Francisco Hyatt Regency Hotel, San Francisco, USA

20th-21st September 2010 Kliengebiel K., **Mazzi C.**, Majerus S. and Weekes B.
 "Intraparietal sulcus and short-term memory: A TMS study."
 International Conference on Parietal Lobe Function
 Artis Zoo, Amsterdam, The Netherlands

21st-24th October 2009 **Mazzi C.**, Eve M. and Weekes B.
 "Neural processing of Mass, Count and Dual Nouns: An ERP investigation."
 Pshychophysiological Research Society annual Meeting
 Berliner Congress Center, Berlin, Germany

TECHNICAL SKILLS

ECDL (European Computer Driving Licence)
 Applications: Office, Corel Draw, SPSS, MRicro, Matlab (basic)
 Good knowledge of TMS and Stereotaxic Neuronavigator systems (SofTaxic, Brainsight, MiniBird)

LANGUAGES

Italian: mother tongue

Writing skills Reading skills Speaking skills

English: good excellent good

French: good good basic

- October-December 2008: "Intensive English course" (150 hours), Sussex University, Brighton, UK
- September 2001: French course, "Langue Culture Méditerranée", Cannes, France
- September 1999: English course, "Cambridge Centre for English Studies", Cambridge, UK
